Subject: Fw: SIR14787516- Your request for content review on Microsoft

PLEASE HELP: Case (SIR14721209) has not responded with answers to the following or the new reoccurring false information now appearing in my Muck Rack journalist's profile.

Please, respond immediately / The FBI has been notified:

1. What specific measures and parameters (technology or human) were taken by Microsoft BING to remove the recurring false and harmful information?

2. What insurances are provided to me (Jeffery Battle) that the extremely harmful information does not ever reappear on Microsoft BING, elsewhere on the internet, or downloaded?

3. Was the false information generated by Artificial intelligence (AI) or human programming?

4. Why is **Microsoft** not prepared **to** immediately shut down AI or human programming urgently, when lives are at stake?

5. As of 06/11/2023, the false information is now showing appearing under my journalist's Press Release. What is **Microsoft** doing **to** stop this activity?

Thank you,

Subject: Fw: SIR14787516- Your request for content review on Microsoft

PLEASE HELP: Case (SIR14721209) has not responded with answers to the following or the new reoccurring false information now appearing in my Muck Rack journalist's profile.

Please, respond immediately / The FBI has been notified:

1. What specific measures and parameters (technology or human) were taken by Microsoft BING to remove the recurring false and harmful information?
2. What insurances are provided to me (Jeffery Battle) that the extremely harmful information does not ever reappear on Microsoft BING, elsewhere on the internet, or downloaded?
3. Was the false information generated by Artificial intelligence (AI) or human programming?

4. Why is **Microsoft** not prepared **to** immediately shut down AI or human programming urgently, when lives are at stake?

5. As of 06/11/2023, the false information is now showing appearing under my journalist's Press Release. What is **Microsoft** doing **to** stop this activity?

Thank you,
Jeffery Battle
